

Introduction to HSCI Research Courses

Background and First Steps
Fall 2024

Tiziana Cotechini, PhD
HSCI Research Coordinator

Goal: Introduce and expand research skills in an independent research project beginning in 3rd year

Limit of 12-units total → Multiple course combinations are possible
Minimum GPA of 3.2 is required for enrolment to proceed
Must have a confirmed supervisor
Courses run F/W/S

Enrollment Process

Step 1

- Identify areas of Health Science research that interest you

Step 2

- Research potential supervisors (DBMS Faculty, KHSC, etc.)

Step 3

- Send ranked supervisor list to hsciresearch@queensu.ca

Step 4

- Contact supervisors, meet and agree on project

Step 5

- Send signed enrolment form to hsciresearch@queensu.ca before the start of the term
