OPTION & ELECTIVE Course Registration

- May be offered as:
  - Blended
  - Online
  - Lecture format (with lab and/or tutorial)
1st Year Option Courses

- Pick 6.0 units from the following:

  - PATH 120/3.0
  - IDIS 199/3.0
  - BIOL 102/3.0
  - BIOL 103/3.0
  - CHEM 112/6.0
  - ENGL 10*/3.0 or ENGL 100/6.0
  - MATH 121/6.0 or MATH 126/6.0
  - PHYS 115/3.0 and PHYS 116/3.0
  - PSYC 100/6.0
  - WRIT 120/3.0
  - WRIT 125/3.0
1st Year Elective Courses

- Pick any course(s) to complete 6.0 units

- Law
- Commerce
- Sociology
- Art History
- Music
- Geography
- Gender Studies
- Development Studies
- Drama
- Language
- Computing
- Health Sciences
Curious about Data Science and Big data analysis?

- Take **PATH 111**!
- Learn key concepts of **data science** and big data investigation **through visualization**
- Learning outcomes
  - Perform, observe and interpret visualization of data from variety of sources
  - Apply skills acquired to critically evaluate and summarize data
  - Describe appropriate data visualization for diverse types of challenges
  - Collaborate and communicate an understanding of concepts and diverse perspectives in data science

Questions: Kathrin Tyryshkin, kt40@queensu.ca
Tips on Which Courses To Take

• Requirements of professional programs
• A subject that interests you
• You don’t need to fit everything into first year
• Begin to explore Career Paths on our website
• 4P Project created by Health Sciences students
How to Get Help With Course Selection

Do’s

- Email email bhscadvisor@queensu.ca
- Come to Advising Drop-In sessions throughout July

Don’ts

- Email a professor
- Call the BHSc Office
Option/Elective Waitlists

Half Year Courses:

• A number of spots reserved for Health Sciences students
• If full, add yourself to the waitlist – you will be added if space on July 30th
• If there are scheduling conflicts, you will not be enrolled from the waitlist, even if there is space

Full Year Courses:

• A number of spots reserved for Health Sciences students (e.g. CHEM 112)
• Must enroll in the same section for Fall and Winter
  • Must enroll in the A and B section of courses (and a lab/tutorial section)
• If full at the time of your enrolment appointment, check after reserves are lifted on July 30th
• No waitlists for full-year courses.
Register in Fall and Winter courses separately

Search by keywords

Search by subject
Select the course career ‘Undergraduate Online’ if you are searching for a course that is offered fully online.

Make sure this box is not selected if you are wanting to add yourself to a waitlist.

Click the course to view the different sections offered.
How to Get Help With Enrollment in SOLUS

Do’s

• Email bhsc@queensu.ca
• Email a professor for permission

Don’ts

• Email a professor for enrolment help
• Contact your academic advisor
• Call the BHSc Office
Optional Learning Tracks/Focus Your Degree

- Anatomical Basis of Health and Disease
- Applied Research Methods in Health Sciences
- Global and Population Health
- Infection, Immunity, and Inflammation
- Molecular Basis of Biology
- Pharmacology, Toxicology, and Therapeutics
- Physiological Basis of Health and Disease
# Academic Progress

Report data generated on 2022/06/20 3:48:28PM

## Bachelor of Health Sciences - Major - ON CAMPUS

- **Units Completed**: 78%
- **GPA Achieved**: Target GPA 2.200

## Year 1 Core Courses (18.0 units)

- **IDIS 173 - The History and Philosophy of Health and Healthcare**
  - Satisfied
  - Units Completed: 100%

- **PHAR 100 - Introductory Pharmacology**
  - Satisfied
  - Units Completed: 100%

- **ANAT 100 - Anatomy of the Human Body**
  - Satisfied
  - Units Completed: 100%
Top Questions Received by the BHSc Team

• Why can’t I enroll in a class that says there are spaces in it?
  • You don’t meet the requirements
  • Reserved for students from another program who require it
  • Reserved for online students

• Can you enroll me in “X” course?
  • Email bhsc@queensu.ca
    ▪ From your Queen’s email account
    ▪ with your Student ID
    ▪ include course code, term, online/blended, and section/class number
FAQs

How am I awarded transfer credits for AP or IB?
- For most students, these are assessed automatically when their final scores are submitted.
- For some students, you may need to submit a request for assessment via the Undergraduate Admissions website.
- Up to 18 units of transfer that will show up as TR for the grade.

Can I take online courses in my 1st year?
- Yes, though space is reserved for you in blended core and option courses.
- Health Sciences online courses may not be open for on-campus students until Sept 3.
- Arts and Science online courses may not be open for on-campus students until July 30.
FAQs

BIOL 102/103 vs PHGY 170 – do I need all of them?
• PHGY 170 will fulfill requirements for Health Sciences courses
• IF you feel that you require a laboratory component, you may want to take BIOL 102 or 103 in addition to PHGY 170

Which Health Sciences courses count as “humanities”?
• Our Health Sciences Society has put together a really great resource to help you navigate requirements for professional schools
• bhsc.queensu.ca
• Career Paths > Medicine > 4P Resource for Medical School
FAQs

**PHYS 118 or PHYS 115/116?**

- Full year physics course, split into two 3.0 unit courses, with labs
- PHYS 118 is an online 6.0 unit course with virtual labs

**How many courses can I take per semester?**

- 5 courses per semester is typical
- You can take up to 6 courses per semester - not recommended in 1\textsuperscript{st} year
- You can take spring/summer courses (registration for these during Winter term)
