Webinar FAQs

BIOL 102/103 vs PHGY 170 – which to take?

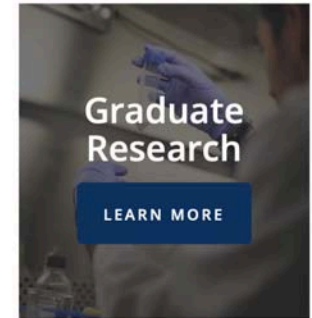

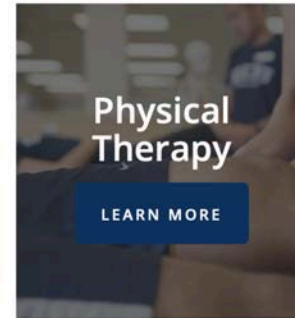

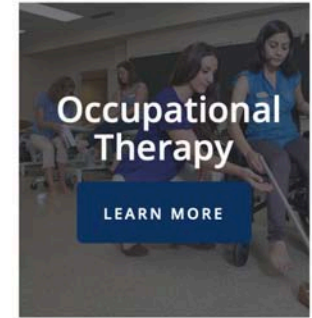

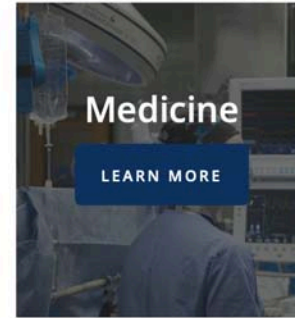

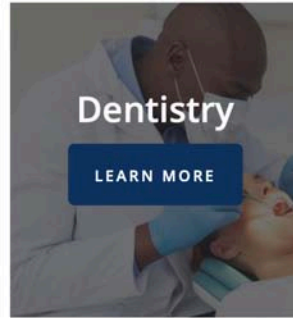

- PHGY 170 will fulfill requirements for Health Sciences courses
- IF you feel that you require a laboratory component, you may want to take BIOL 102 or 103 in addition to PHGY 170

How many courses can I take per semester?

- 5 courses per semester is typical
- You can take up to 6 courses per semester - not recommended in 1st year
- You can take spring/summer courses

Tips on Which Courses To Take

- requirements of professional programs
- a subject that interests you
- You don't need to fit everything into first year

Begin to explore these Career Paths on our website

Option/Elective Waitlists

Half Year Courses:

- A number of spots reserved for Health Sciences students
- If full, add yourself to the waitlist – you will be added if space after July 26
- If there are scheduling conflicts, you will not be removed from the waitlist

Full Year Courses

- A number of spots reserved for Health Sciences students
- If full at the time of your enrolment appointment, check after July 26

Science Timetables

- Morning lectures and afternoon labs/tutorials
- Mid-day lectures and morning or afternoon labs/tutorials
- Afternoon lectures and morning labs/tutorials
 - Careful with this block – some overlap with core course time
